

Kamiah Jt. School District No. 304

1102 Hill Street - Kamiah, ID 83536

Phone: (208) 935-2991 Fax: (208) 935-4005

October 26, 2020

Dear Kamiah High School parents, staff, and community members:

Today, we received notification that a Kamiah High School Student has tested positive for COVID-19. While we must protect the privacy of the person involved, we believe it is best to communicate transparently with you so you can make well-informed decisions for your family.

There is nothing more important to the Kamiah School District than the safety and health of our students, our staff, and their families. We are working directly with county health officials to address this situation. At this time we are closing all three school buildings on Tuesday October 27th and Wednesday October 28th for intensive cleaning and to allow NCDH to conduct contact tracing of potential exposed individuals.

Kamiah School District will continue to clean and disinfect surfaces inside all district schools, buses, and facilities. Additionally, we will continue to monitor all students and staff and encourage anyone who is feeling sick to please stay home.

COVID-19 is transmitted through person-to-person contact and through the exchange of respiratory droplets. As more cases are being confirmed across the state, including in our community, we must be vigilant. Symptoms of COVID-19 include fever, cough, and shortness of breath. If you or any member of your family exhibit these symptoms, please contact your medical provider for advice immediately. Symptoms usually appear 2-14 days after exposure.

The CDC recommends the following best practices to help prevent the spread of COVID-19:

- Wash your hands often with soap and water for at least 20 seconds.
- Use alcohol-based hand sanitizer with at least 60% alcohol if soap and water are not available.
- Avoid close contact with those who are sick.
- Cover your coughs and sneezes with a tissue or your sleeve.
- Avoid touching your eyes, mouth, and nose.
- Disinfect frequently touched surfaces and objects.
- Stay at home when you are sick.
- Practice social distancing, leaving at least six feet between you and other people.
- Wear a cloth mask in public when you cannot social distance.

Our greatest priority is the safety of our students, staff, and community members. It is important to remember that children are greatly influenced by the reactions of adults when facing difficult circumstances. I encourage everyone to remain calm and to be empathic and respectful to those affected.

We are grateful for the opportunity to serve you and your family, especially as we face this challenging situation together. Thank you for your support of Kamiah Schools.

Sincerely,

Dr. Benjamin Merrill
Superintendent
