Parent-Student Handbook

2021-2022

*Enter: Ready to Learn*  
*Exit: Prepared for the Future*

Dear Parents/Guardians,

The staff of Kamiah Elementary School welcomes you! We believe that education is a cooperative effort which includes the school, parents, students, businesses, special interest groups, and the community. Each area is very important in providing an academic and socially based education.

We will strive to keep all lines of communication open in our effort to help children develop their greatest potential. This handbook should be read carefully. Students, faculty, and parents are responsible for following the guidelines stated. This is by no means a complete list of procedures for the school. It is our hope that this handbook will provide helpful information and that you will save it for future reference. If you have any questions, please call or schedule a time for a visit or conference.

Sincerely,

Kamiah Elementary Staff

## **KAMIAH ELEMENTARY SCHOOL PHILOSOPHY AND GOALS**

The elementary faculty and administration of the Kamiah School District believes that each child is endowed with individual capacities and characteristics, and that we, to the best of our ability, should provide each child with an education that best fits the individual. We know that needs of children are similar, but not identical, and will try to differentiate our teaching to fill individual needs.

We will strive to provide for the intellectual, emotional, and physical well-being of each child and in doing so, focus on social skills, citizenship, positive attitude, and academic achievement.

We believe a spirit of free inquiry is essential in a democracy and will strive to teach critical thinking and problem solving skills in an effort to help students achieve higher level skills.

It is our belief that a strong foundation in reading, math, and language is necessary for the ultimate success of each child. In addition, we will create interest in science, social studies, and the arts; with an emphasis on developing communication.

Our students need to exist within an atmosphere that is conducive to the development and maintenance of a positive self-image. Our goal is to instill, in each student, the desire and ability to make responsible choices, to practice the art of self-discipline, and to be accountable for their actions.

We believe it is a shared responsibility between parents and educators to guide, nurture, and be responsive to the needs of each child. The ultimate goal is for each child to realize his/her potential, and in the development thereof, become a productive member of our society.

## **PARENT INFORMATION**

### **ABSENCES (REPORTING)**

Good attendance patterns are developed early in life. We encourage you to help your child form good attendance habits.

For the safety of your children, please notify the school, between 8:00 AM and 9:00 AM; on the day your child is absent.

When your child returns from an absence, a note or telephone call is required. All students are required to check into the office for an admit slip. Students will not be admitted to class without an admit slip.

If your child is absent, or going to be absent, for several days, parents should contact the student's teacher for make-up work. This can be arranged by a phone call to the office. Forms are available in the office for prearranged absences. **After 10 unexcused absences, and if no contact has been made by the parent or guardian, the student will be dropped from his/her class and will have to be re-enrolled by the parent or guardian prior to returning to campus.**

### **ARRIVAL TIME FOR STUDENTS**

Breakfast is served from 7:40 AM to 8:00 AM. Students wanting to eat breakfast should arrive no earlier than 7:40 AM.

Students not wishing to eat the school breakfast **should not** arrive **before** **7:40 AM**. School **starts** at **8:00 AM**. Dismissal time is **3:36 PM**.

### **FIELD TRIPS-SPECIAL ACTIVITIES**

Parent/Guardian need to sign a written permission slip for educational field trips. As the field trip nears, permission slips will be sent home with your child stating when and where the class is going and if money is needed.

### **ILLNESS OR INJURIES AT SCHOOL**

Simple first aid will be administered by school personnel. If we feel the injury might be of a serious nature, parents will be notified immediately. If parents cannot be located, we will attempt to call the

emergency number on the enrollment sheet. Please notify the school at once if your emergency number changes. If necessary, procedures outlined on the “Emergency Care Permit” will be followed.

## **District Health Policy**

### **Proof of Immunization Required**

Every student attending school must have an immunization record on file. Under the provisions of this law, Idaho Code Section 39-4801, parents are required to provide school authorities with immunization information for any child enrolled in preschool and K-12<sup>th</sup> grades in any Idaho public, private, or parochial school. If School authorities do not receive the immunization information prior to attendance, the child must be denied attendance until the information is received and the child is in compliance with the following requirements:

- 1: Five (5) or more doses of DPT, DT, DTaP, or TD ( diphtheria, Tetance, and pertussis) unless fewer doses are medically recommended.
- 2: Three (4) or more doses of polio (OPV or IPV) vaccine unless fewer doses are medically recommended.
- 3: Two (2) dose of measles, mumps and rubella (MMR) vaccine given on or after the child’s first birthday.
4. Three (3) Hepatitis B
5. Two (2) Varicella
6. Two (2) Hepatitis A

In 1997, all five (5) year old children born after November 22, 1991, who are entering kindergarten, will be required to have three (3) Hepatitis B vaccinations.

Exemptions: Under the provision of Idaho Code 39-4802, a child will not be required to undergo the required immunizations if one or more of the following conditions exist and the supporting documentation in their possession of school authorities:

1. A parent or guardian has submitted to school officials a certificate signed by a physician licensed by the state board of medicine stating that the physical condition of the child is such that all or any of the required immunizations would endanger the life or health of the child.
2. A parent or guardian has submitted a signed statement to school officials stating their objections on religious or other grounds shall be exempt from the Idaho Code, 39-4801.

The required immunizations are available at the Health Department. The Health Department phone number is 935-2124.

### Contagious Diseases

Kamiah Joint School District No. 304 will treat all communicable diseases in accordance with Section 33-512 I C., which excludes from school, pupils with contagious or infectious diseases.

Diseases which are contagious and warrant immediate treatment, and could result in suspension until possibility of transmitting is past, could include:

Chicken pox	conjunctivitis (pink eye)	scabies
Impetigo	pediculosis (head lice)	hepatitis

### THE KAMIAH SCHOOLS HAVE ADOPTED THE FOLLOWING HEAD LICE POLICY:

The school will conduct two to three Kindergarten through 6<sup>th</sup> grade screenings each year under the supervision of the school nurse. Any child suspected of having head lice will be sent home immediately. The child may not return until treated with a proper shampoo. The family may take the child to their physician or the Central Health District, or purchase a pediculicide shampoo at a pharmacy. The child, family members, and other close contacts should be checked for head lice and treated if lice or nits are found. After treatment, the eggs (nits) should be removed either with a fine tooth comb or by manually pulling them from the hair shaft. The school can provide other information regarding treatment and treating the home environment.

When returning to school, the student must report to the school's secretary.

### Children experiencing repeated problems with head lice may be excluded from school until they are nit free.

#### Medication Policy

If your child must have medication of any type given during the school hours, including over-the-counter (OTC) drugs, you have the following choices:

- (1) You may come to school & give the medication to your child at the appropriate time(s).
- (2) You may obtain a copy of the medication form from the school nurse or the school secretary.

Complete the form by listing the medication(s) needed, dosage, route (oral, eardrops, etc.), and the time the medication is to be administered. The School secretary cannot administer

any medication without the medication form being filled out and signed. Prescription medications must be brought to the school in a pharmacy-labeled bottle which contains instructions on how and when the medication is to be given. Over the counter medications must be received in the original container and will be administered according to the written instructions. You may discuss with your Physician an alternative schedule for administering medication. For the school to administer any medication the parent must have the medication form completed and the medication must be received in the original container. In fairness to those giving the medication and to protect the safety of your child, there will be no exceptions to this policy. **Do not send the medication with your child.**

### **SCHOOL NURSE**

A school nurse is available intermittently throughout the week or the school secretary can get a hold of her when needed. An “Emergency Care Permit” is required of all students and is included on your enrollment form for your child. Please keep this form updated in case of an emergency. If your child has a specific illness, special need, or medical problem, please notify the office in writing.

### **INCLEMENT WEATHER**

Please see that your child is dressed appropriately for the changing seasons. During extreme cold or wet weather, students will be kept in the building.

### **CLOSED CAMPUS POLICY**

Kamiah Elementary maintains a closed campus. A closed campus means that students are not to leave the school grounds for any reason, until the end of the day. The only time students are allowed to leave the school grounds during the course of the day is if they have been checked out at the elementary office and are leaving the school with their parent/guardian. If a parent wishes for another adult to check out their child during school, then the parent/guardian needs to make prearrangements by way of a note sent to the secretary or a phone call to the secretary. Students may request special permission from the Principal in an emergency. No friends will be allowed to go home with other students.

### **PERSONAL PROPERTY**

Please use a permanent marker, or identification tag, to identify all boots, hats, gloves, coats, lunch boxes, school supplies, etc. Students are discouraged from bringing toys from home. We are not responsible for items that are not school property.

The school lunch program has a vital place in school because it contributes to the learning experiences of each child who uses its facilities. It is a part of the total educational program for your child. The school lunch program provides nutritious food. If children are well fed, they are better prepared to learn. The lunch program also affords opportunity for a coordinated effort of teachers and lunch personnel in teaching about nutrition.

Parents are welcome to join their children for lunch. If you would like to join us, for lunch, please notify the office by 9:00 AM. on that day.

### **Birthday Treats / Classroom Snacks**

### **STUDENT RETENTION POLICY**

Kamiah Joint School District No. 304

**INSTRUCTION**

Promotion/Retention/Placement Grades K-5

**2600**

The Board recognizes that students of the same age are at many intellectual and developmental levels and that these differences are a normal part of human development. Because of these

differences, the administration and teaching staff are directed to make every effort to develop curricula and programs which meet the individual and unique needs of all students and allow them to remain with their age cohorts.

It is the philosophy of the District that students thrive best when placed or promoted to grade levels with other students who have compatible age, physical, and social/emotional status. It is our philosophy to promote students who demonstrate effort within those compatibilities. It is equally our philosophy and practice to retain students who do not make a reasonable effort to meet grade level expectations, as long as those expectations are commensurate with the individual student's ability and rate of learning. The RTI team will meet and review academic, social-emotional, and Light's retention scale data when making a decision to retain a student.

The Board recognizes that homeschooled students may opt to attend public school at various ages. A grade level placement decision will be made by a team including the building principal/lead teacher and (2) classroom teachers after reviewing appropriate assessment data given to the student prior to enrollment.

If a parent insists on the child being retained or promoted, a notice will be placed in the child's file that the retention or promotion was a parent decision and not recommended by the school.

The Superintendent will develop a procedure for decision making regarding the determination of Promotion/Retention/Placement.

### **DIRECTORY INFORMATION**

In accordance with the Family Education Rights and Privacy Act of 1974, the Kamiah School District No. 304 hereby gives notice to all parents and legal guardians that the following information is being categorized as directory information: student's name, address, telephone number, date of birth, place of

birth, participation of officially recognized activities and sports, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

Directory information may be released without prior parental consent unless parents object, in writing, to the release of directory information as allowed by state statute, within fifteen (15) days after the first day of school.

### **LOCAL PUBLICATIONS**

Students involved in various activities (awards etc.) may be pictured with name, in school and local publications, unless parents object on the photo/video permission form.

## **Student Information**

### **BICYCLES**

Students are to walk their bikes on and off the school grounds. Bicycles are to be placed in bicycle racks (see school map). Students should lock and identify their bicycles. Kamiah School District **is not** responsible for damaged or stolen bicycles.

### **DRESS CODE**

Students are to dress in an appropriate manner for the educational environment. Inappropriate dress is that which disrupts school activities, the classroom atmosphere and which does not meet requirements of cleanliness and good taste, as outlined in the dress code letter that is sent home with your child the first day of school.

### **TARDIES**

Tardies are a habit that are easy to start and hard to stop. You are considered tardy when you are not in your desk when the bell stops ringing. Three (3) tardies a semester is considered excessive.

If you arrive late for school, you will need to get a pass from the office, before going to your classroom. You will not be admitted to class without a pass.

### **STUDENT USE OF TELEPHONES**

Telephones are for business use only. Students will be allowed to use these phones only in the case of an emergency. Students will not be called to the telephone to accept calls. You are expected to discuss activities with your parents before you arrive at school, not after you arrive. Plan ahead!

### **TEXTBOOK RESPONSIBILITY**

Students are held responsible for issued textbooks. You may receive a fine for lost or damaged textbooks and library books.

### **TRUANCY**

Idaho state law requires all children between the ages of 7-16 to attend school. Any unauthorized absence is considered a truancy. This shall include partial periods or entire days. Individual truanancies will be handled by the building principal, superintendent, or by the school board.

Habitual truancy will be handled through the prosecuting attorney's office.

### **ATTENDANCE POLICY**

Regular school attendance is very important for every student. It is the responsibility of parents to see that their child does not miss days that are not necessary. Kamiah School District #304 will maintain the 90% attendance policy. Absence from any class for any reason including illness or family convenience shall be counted when the percentage of attendance is calculated. A student whose attendance at class is less than 90% will be ask to come before the attendance committee for review of absences; parent or legal guardian should also be present. For purposes of this requirement, extraordinary absences shall include absences which are beyond the control of the student or parent. They generally will not be repetitive in nature.

1. The 90% attendance rule shall be interpreted as allowing only nine (9) absences per semester.
2. Parents will be adequately informed of excessive absences and the potentiality of loss of academic credit. Such information will take place in form of a letter mailed out when the student reaches five (5) absences.

### **DISCIPLINE**

\*See Discipline Policy at end of book.

Discipline is the process of training a child so that the desired character traits and habits can be developed. By having a consistent discipline policy, the goal of educating children can be most efficiently reached.

All students are expected to conduct themselves in a courteous and orderly manner. Students will treat staff members and fellow students with respect.

We believe that:

1. Teachers have a right to teach and students have the right to learn.
2. Parents have a responsibility to teach their children basic rules of decency and conduct.
3. All children are required to behave in a positive manner.
4. All students will maintain a level of self-discipline that is motivated from within.

In short, no student shall interfere in the instructional process, either by interfering with another student's right to learn or by preventing a teacher from doing their job.

Individual classroom discipline plans will be posted in each classroom and a copy of them sent home the first week of school.

## **Kamiah School District Transportation Progressive Discipline Plan**

The Kamiah Joint School District No. 304 Transportation Department utilizes a progressive discipline process to ensure students and staff remain safe. The use of district transportation by students is a privilege and the right to ride may be removed if behavior of the student results in an unsafe environment or frequent discipline infractions occur. Based on the incident severity and frequency, drivers, transportation director, and school administrators follow progressive steps to manage student behavior. The 4 steps below outline the overall process

1. Drivers are encouraged to manage students with Positive Behavior Support including positive praise and practicing student expectations.
2. If a misbehavior arises, drivers will remind students of expectations for safe behavior on the bus. A note may be sent home or a phone call made as a form of communication with the parents from the driver prior to implementation of progressive discipline.
3. Should the behavior continue, a Transportation Discipline Referral will be created and progressive disciplinary action will be taken based on severity and frequency.
4. Should the behavior be critical in nature or frequent, immediate discipline will take place including loss of riding privileges for a designated period of time. All transportation suspensions may be appealed to the District Superintendent and then to the Board of Trustees.

Progressive Discipline reasons are categorized into three groups; Minor, Moderate and Critical. Each bus incident can be different and require a different approach to maintain a safe bus environment. The progressive steps in each group provide guidance and consistency with flexibility within each step to provide students with a positive path of learning and improvement. For each group of reasons there is a defined progression of actions.

### **A - Minor Reasons**

Step 1 (1st occurrence) - The driver will document the 1st occurrence as "minor behavior" on the driver behavior log and date the incident.

- The driver will talk to the student and repeat the bus expectations to help educate the student. The driver may send a note home with the student or call parents.

Step 2 (2nd occurrence) - The driver will document the 2nd occurrence as "minor behavior" on the driver behavior log and date the incident.

- The driver will talk to the student and repeat the bus expectations to help educate the student. The driver may send a note home with the student or call parents.

Step 3 (3rd occurrence) - If there is a 3rd occurrence within the same semester the driver will document the incident on the driver behavior log as "continued minor behavior" and the following progressive steps will take place.

- A Transportation Discipline Referral will be completed by the driver and given to the transportation director.

- The transportation director will call the parent to inform them of the incident and ask for assistance in developing an action plan of learning and improvement.
- The transportation director may talk to the building administrator to discuss the most appropriate action. This may result in a meeting (in person or over the phone) between the driver, parent, student, and transportation director if appropriate to develop an action plan of learning and improvement.

Further Occurrences - If there are any further "minor behavior" incidents within the same semester the driver will escalate the referral type to "moderate behavior" and the progressive discipline will increase. **Note:** For "minor behavior" the progression of steps start over at semester.

## **B - Moderate Reasons**

Step 1 (1st occurrence) - The driver will document the 1st occurrence as "moderate behavior" on the driver behavior log and date the incident.

- The driver will talk to the student and repeat the bus expectations to help educate the student.
- A Transportation Discipline Referral will be completed by the driver and given to the transportation director.
- The transportation director may call the parent to inform them of the incident and ask for assistance in developing an action plan of learning and improvement.
- The transportation director may talk to the building administrator to discuss the most appropriate action. This may result in a meeting (in person or over the phone) between the driver, parent, student, and transportation director if appropriate to develop an action plan of learning and improvement.

Step 2 (2nd occurrence) - The driver will document the 2nd occurrence as "moderate behavior" on the driver behavior log and date the incident.

- The driver will talk to the student again and repeat the bus expectations and assign a seat in the front of the bus.
- A Transportation Discipline Referral will be completed by the driver and given to the transportation director and building administrator.
- A School Discipline Referral will be generated, documented into PowerSchool and the building administrator will provide the parent a copy.
- A meeting (in person or over the phone) is scheduled with the parent, student, transportation director, driver and building administrator to address the concern and discuss the appropriate action.
- The transportation director will call the parent and notify them that the student is removed from the bus until this meeting has occurred. The student should not be removed from the bus longer than 1 day until a meeting is scheduled.

Step 3 (3rd occurrence) - The driver will select the "moderate behavior" referral type.

- A Transportation Discipline Referral will be completed by the driver and given to the transportation director and building administrator.

- A School Discipline Referral will be generated, documented into PowerSchool and the building administrator will provide the parent a copy.
- The transportation director will call the parent and notify them that the student is removed from the bus, progressive action starts at 1-5 days as determined by the transportation director.
- The student and parent must have a re-admittance meeting in person with the transportation director, driver and building administrator to reinforce the bus expectations and have a contract signed by all parties that clearly defines the bus expectations and possible future consequences. The meeting will be scheduled and facilitated by the transportation director.

Further Occurrences - If there are any further "moderate behavior" incidents within the same year the student will be removed from district transportation for 4-8 days. **Note:** For moderate reasons the progression of steps will not start over at the semester. Each time a conduct referral type is completed, the action taken must be progressive from the previous action.

\*All Transportation Suspensions may be appealed to the District Superintendent and then Board of Trustees.

### **C - Critical Reasons**

All incidents that fall under the critical reasons category require immediate notification to the transportation director and school administrator. A bus conduct referral type "critical behavior" will also be completed. All actions taken must be clearly communicated to the transportation department and driver.

- A Transportation Discipline Referral will be completed by the driver and given to the transportation director and building administrator.
- A School Discipline Referral will be generated, documented into PowerSchool and the building administrator will provide the parent a copy.
- The transportation director will call the parent and notify them that the student is removed from the bus, progressive action starts at 4-8 days as determined by the transportation director.
- The student and parent must have a re-admittance meeting in person with the transportation director, driver and building administrator to reinforce the bus expectations and have a contract signed by all parties that clearly defines the bus expectations and possible future consequences. The meeting will be scheduled and facilitated by the transportation director.

Further Occurrences - If there are any further "critical behavior" incidents within the same year the student will be removed from district transportation until a meeting is held with the Superintendent. The Superintendent may remove the student from all district transportation for the remainder of the year. **Note:** For critical reasons, the progression of steps will not start over at the semester.

\*All Transportation Suspensions may be appealed to the District Superintendent and then Board of Trustees.

The Kamiah School District is in the process of updating the Crisis Procedure Manual that is designed to minimize danger to anyone occupying a school should an emergency occur. Our main objective is to attend to the health and welfare of your child/children in the event of a crisis and to see that he/she gets home safely by walking, by bus, or by transportation provided by parents.

**IN MOST EMERGENCIES YOUR CHILD/CHILDREN WILL REMAIN AND BE CARED FOR AT THE SCHOOL. IN THE RARE EVENT OF AN EMERGENCY AFFECTING THE SCHOOL THAT PROHIBITS RE-ENTRY TO THE BUILDING STUDENTS AND STAFF WILL BE MOVED IMMEDIATELY TO AN ALTERNATE SITE.**

We ask that you follow this procedure if you hear rumors of any school emergency:

1. **TURN ON YOUR RADIO to KORT - Grangeville or KIYE - Tribal Station - Kamiah**  
We will keep the media informed of any emergency.
2. **PLEASE DO NOT TELEPHONE THE SCHOOL.** We have limited phone lines. These **MUST** be used to respond to the emergency.
3. **PLEASE DO NOT COME TO THE SCHOOL UNLESS REQUESTED TO PICK UP YOUR CHILD AT SCHOOL.**

Any emergency involving your child's school may mean emergency vehicles and disaster workers must be able to get to the building. If the emergency necessitates relocation of staff and students, follow these instructions.

- a. If for any reason the "school" must be evacuated during regular school hours, your child will be taken to and cared for at the high school track.
- b. Stay tuned to the radio for updated, accurate reports and information provided by the school district administration about when and where to pick up your child.

## **STUDENT/PARENT DUE PROCESS PROCEDURE**

If a parent feels there is a problem or is unhappy with a situation, they are encouraged to try to resolve the issue by:

1. Setting up a parent/teacher conference to discuss your concerns with your child's teacher.
2. If unsatisfied with the results of the conference, you are encourage to call for an appointment with the building principal.
3. Should the problem still not be resolved to your satisfaction, you are encouraged to set up an appointment with the district superintendent.
4. The final step in the district would be to set up a hearing with the district school board.

**Dear Parents:**

This is a copy of the Kamiah Elementary School Discipline Policy. Please take time to review the policy with your children.

Let us emphasize the statement made in the first paragraph under “Basic Philosophy”. “Students and parents share, with the administration and staff, the responsibility of developing and maintaining a climate in the school that is conducive to wholesome learning and living.” Only together can we create this optimum learning environment.

We want to thank the following committee members for their hours of hard work and commitment to help develop a policy that will continue to enhance the educational program for your children:

## **KAMIAH ELEMENTARY DISCIPLINE POLICY**

### **I. BASIC PHILOSOPHY**

Attendance is both a right and privilege. By taking advantage of the right and privilege to attend school, students and their parents also incur responsibilities. These responsibilities include regular school attendance, conscientious effort by the student in classroom work and adherence by students and their parents to school rules and regulations. Most of all, students and their parents share, with the administration and teaching staff, the responsibility of developing and maintaining a climate in the school that is conducive to wholesome learning and living. All students have the right to learn, just as teachers have the right to teach. Every time disciplinary action is taken, teaching time is lost.

Our goal is to maintain a positive, safe, and healthy learning environment at Kamiah Elementary School. Our objectives are: 1.) to develop strategies to promote positive attitudes and appropriate behavior 2.) to implement a comprehensive Student Discipline Procedure for grades K-4. In doing so, we emphasize that education is a right and privilege and must be guarded by appropriate conduct on the part of all concerned.

### **I. SECTION 33-1224 IDAHO CODE**

“Powers and Duties of Teachers.” In absence of any statute or rule or regulation of the board of trustees, any teacher employed by a school district shall have the right to direct how and when each pupil shall attend to his appropriate duties, and the manner in which a pupil shall conduct himself while in attendance at the school. It is the duty of a teacher to carry out the rules and regulations of the board of trustees in controlling and

maintaining discipline. Teachers shall have the power to adopt any reasonable rule or regulation to control and maintain discipline in, and otherwise govern, the classroom, not inconsistent with any statute or rule or regulation of the board of trustees.”

# **INDIVIDUAL RIGHTS**

## **Rights of Parents/Guardians**

## **INDIVIDUAL RIGHTS**

### **Rights of Students**

### Individual Counseling

(Quotations below are from the Attorney General's Office)

“Idaho Code SS 9-203 (6), 16-1619 and the Idaho rules of Civil Procedure, Rule 515, provide that all communications between a school counselor and a student are confidential while the school counselor is acting in his/her capacity and the information is not intended to be disclosed to third persons . . . without the consent of the student or the parents of the student. The only exception to the confidentiality requirement is if a counselor has reason to believe that a particular student is being abused, abandoned or neglected. See Idaho Code S 16-1691.

#### Group Counseling/Support Groups

“Based on the Hatch Act and the Idaho Code sections cited above, prior parental permission for a student under the age of eighteen (18) or written consent of a student over the age of eighteen or an emancipated youth, . . . is necessary in order for that student to participate in group counseling or support groups . . .
