If you have any questions, please give either your school secretary or I a call. We accept cash or checks in the school office.

Free & Reduced Lunch Applications

Attached is the 23-24 Free and Reduced Application. Our district encourages all families to fill this out, even if you don't think you will qualify. This application can be filled out at any time during the school year, but please note that any charges incurred before the application is approved will still be owed by the student. This is an online fillable application, so please feel free to download, fill it out, and email back to me directly. There are also hard copies printed and available in the Kamiah High School office or at Food Services in the lunchroom. As always, if you have any questions or concerns, please feel free to reach out! Enjoy the rest of your Summer!
