

Facilities Operations

The operation of the District's facilities shall be the responsibility of the Superintendent through the facilities manager. The facilities manager shall manage the operation of the facilities through the head custodians of the District's school facilities.

An adequate staff of custodial personnel will be employed by the District to operate the District's facilities. This responsibility shall include, but not necessarily be limited to, the following:

1. Adequate and timely operation of each facility's heating system;
2. Proper care of the District's physical properties, including walls, floors, roofs, ceilings, and equipment in those facilities;
3. Adequate care of and timely lamp replacement in each facility's lighting system; and
4. Proper care of each facility's grounds and playgrounds.

Because of the nature of facility operations, this service shall be provided not only during the normal scheduled working day and working year, but shall also occur during those times when the building is occupied outside of regular hours.
